No minutes from last site base meeting was recorded.

The committee elected new secretary for the SBC. Brande Burns was elected as new site base committee secretary.

Mr. deGraffenried welcomed new members to the committee. He reviewed the purpose for the committee. To work together as a team to make changes, explore ideas, and listen to recommendations to improve the Chilton ISD community. As a committee, we want to seek community members and businesses for school involvement.

New members from Elementary- Joan Bigbee, Brande Burns, Tanya Graves

New members from High School- Leon Darden, Jullian Keggins, Janet Ramos

Mrs. Judie gave an overview of the district's Wellness Plan. The district wellness plan is to promote healthy eating for the students. (Mrs. Judie stated) It would help if the teachers served as role models to show students that healthy eating is good.

- Sodium in the cafeteria will be cut again.
- TDA wants schools to serve home grown vegetables. There is a \$10,000 grant to support this project but the school staff and community must be involved.
- Chilton ISD must follow TDA guidelines or risk having funding withdrawn from the school. TDA also wants teachers to reward students with healthy snacks or non-food items.
- For the 2017-2018 school year, PreK3-PreK4 students will not be allowed to have certain foods as K-12 students. (Mrs. Judie) will get with Mrs. Graves to see if the Pre-K students can have breakfast in the classroom next year. This is to ensure that these students will not be given foods that are not allowed for them; and Pre-K students won't be upset because their breakfast is different.

Mr. Hubbard motioned to approve the District Wellness Plan. Plan was approved by the committee and will be presented to the School Board.

Items on the agenda for the next site base meeting

- Approve the calendar for the 2017-2018 school year
- Textbook adoptions

Old Business: Mr. Hubbard reviewed the HB5 Survey. The rating for each category was exemplary. The committee certified the HB5 report and chose the 3 categories that would be reported:

1. Community Parent Involvement
2. Digital Learning Environment
3. 21st Century Workforce Development

Mrs. Judie informed the committee that the Health and Wellness plan had been sent to TASBE. The plan must be in place by June 30th.

William DeGraffenried suggested that the school staff work together to implement a plan to get staff involved in health and wellness.

Suggestions for a staff health and wellness plan:

1. Mr. Judie and Gladys Graves suggested making a trail on the Back 40 for staff and students to walk.
2. Mr. D. suggested opening the weight room for the staff and someone could come in to talk to the staff about healthy practices.

3. Tanya Graves suggested a contest between staff to purchase a treadmill and the money donated by staff could be used to purchase the treadmill.
4. Gladys Graves suggested that we talk to companies to see if they are willing to donate exercise machines to schools.

Mr. Hubbard informed the committee that there would be new Career Readiness Pathways for the secondary campus. These academies will be for grades 9th - 12th.

1. Academy of Law and Criminal Justice. This academy will be designed for students that want to go into law and criminal justice. Students can also test to receive call center certification.
2. Business career/technology
 - a. Computer Technology
 - b. Principles info technology
 - c. Graphic design
 - d. Basic typing
 - e. Computer maintenance
3. Academy of Industrial Technology
 - a. Principles of Ag
 - b. Welding
 - c. Advanced animal showing
4. Academy of Human Services
 - a. Culinary Arts

These academies are required for accountability. We want the students to work together to design a logo for each academy. We will try to implement the Academy for Health Science in the future because of the expense. Gladys Graves also suggested that we contact Lisa Ware for staff wellness/health plan. She could also assist with the Health Science Career Readiness Academy once it is in place.

Next site based meeting will be after graduation.

Meeting adjourned at 2:53 pm.
